OLD & SPARE MOBILE PHONE DONATION

Richard Bowen from SHP For Charity has generously set us up a recycling account for mobile phones and is even going to feature us on their home page of their own website!

I am sure we all know someone that has to have the latest toy or has a collection of old or broken mobile phones. We can now benefit from these by recycling them and receiving a cheque that we can use directly towards our ever increasing running costs.

We shall be having a collection box at Crofton Manor Equestrian Centre, but you can also collect them independently and we can either pick them up or have a

courier pick them up free of charge! SHP for Charity will then check them and send us a break down of the phones together with a lovely cheque for our efforts.

If you have any questions about this appeal please contact Liz Graney either directly or via Crofton Manor.

INK CARTRIDGES RECYCLED FOR TRADISSAR

Ink Save has been amazingly supportive of our efforts to raise funds. Liz (another Liz and their co-ordinator) was delighted to be asked to help us.

Ink Save is a small company that recycles and refills ink cartridges to save them from land fill and help users save costs.

They company are going to supply us with FREEPOST envelopes and then forward us with a cheque whenever we reach a total of £15.00 or

more at regular intervals. Every penny can count with this one and of course is on going as you use more printer cartridges.

They can recycle a number of different brands and they can either be brand new and empty or already recycled and empty!

The following brands are the only ones that can currently be recycled by Ink Save so please save us a little time and check your cartridges for suitability for this scheme.

- HP
- Dell
- Lexmark
- Canon

For every cartridge you sent to us we can earn 20p and £2.00. As you can imagine this can soon add up so please keep those ink cartridges coming into us.

We shall as with the mobile phones have a collection box at Crofton Manor, or you can contact Liz Graney.

FACEBOOK—TRADISSAR GROUP NOW ONLINE

Do you use Facebook on the Internet? If you do please keep your eyes open for our new group.

Elizabeth Graney has setup a Tradissar RDA Group online for news, information and pictures. The general idea is to attract more coverage of our charity, our requirements and our appeals. It also makes an easy way to spread word of our activities

without having to phone or email contacts as you can sent a notification to everyone within your contact list quickly and easily.

We hope this together with our own website will provide a strong online presence and support any fundraising and sponsorship we try to promote.

Facebook has recently become a huge success with

people from all over the world and of all ages using to site to contact friends, make friends and have fun! We felt it was important to keep up with the ever moving technological world and expand our appeal to as many people as possible.

Simply visit Facebook, sign in or register your profile and then search for Tradissar within the Groups to find us!

NEW SITE INSPECTION AT CROFTON MANOR

On Monday 14th July at 2pm everyone gathered for what was an incredibly important session! Why? Well our new venue was to be inspected, along with our methods, volunteers and procedures!

Everyone involved was quite nervous about the entire inspection, but when Suzanne Straford from Broadlands RDA Group turned up she started to put

us at ease and we simply got on with it.

We had three riders and a number of volunteers together with both Rayna and Elizabeth instructing. This was to be more of a demonstration session than anything else to show how we work our meetings, hence the number of riders.

How did it go? Well I am pleased to say it went well.

Everyone learnt something from Suzanne and she was impressed with our efforts to publicise the group and start our fundraising appeals.

What now I here you ask! Improvement is of course an on going effort, but now its all eyes to the future and our efforts must be directed towards creating funds to not only keep us running but to develop our group further!
